MARCH 19-21, 2012
DAVID L. LAWRENCE CONVENTION CENTER
PITTSBURGH, PA

PIPELINES PROCESSING STORAGE TECHNOLOGY FINANCE

HARTENERGY

*As a proud sponsor, we invite you to join us at the
largest midstream event in the world!*

Marcellus Midstream Conference & Exhibition

Use promo code: **MMSNG** online for a \$100 discount.

Join us as key industry executives discuss what keeps them up at night — how to build gas demand and improve operating margins. They'll also analyze construction plans and business opportunities. Be there to understand the impact on your business.

This conference doubled in size in 2011 to more than 1,600 attendees and 117 exhibitors, powerful evidence of value delivered. It's by far the largest industry event focusing on critical Marcellus and Utica infrastructure issues, including takeaway, storage, processing and treatment capacity.
